

Gabrielle Barrow (she/her)

New York, N.Y. | gabby7245@gmail.com | [Linkedin](#) | [Website/Portfolio](#)

PROFILE

Creative Media Studies student seeking a career in UI/UX design and web programming. Specializes in graphic design, HTML, CSS, JavaScript, and user-centered design. Experienced in building websites from scratch and crafting compelling visual content through illustration and digital design.

EDUCATION

CUNY Hunter College

New York, NY

Bachelor of Arts in Media Studies, Focus in Emerging Media

Expected Graduation: Spring 2026

Relevant Coursework: Creative Code, Digital Design & Usability, Web Production I, Programming for Everyone

Fall 2025: Web Production II, Game Programming I

PROJECTS & CREATIVE WORK

Final Website - Web Production I

May 2025

- Created a website from scratch highlighting four of my favorite visual artists
- Used HTML, CSS and Javascript and design skills to make visually compelling sites in theme with each individual artist

Portfolio Website - Web Production I

February 2025

- Created a portfolio website from scratch
- Used HTML, CSS and Javascript to make a website highlighting my professional skills

Game Prototype - Creative Code

December 2024

- Used [p5.js](#) to create a basic game prototype with a classmate
- Used Javascript and Procreate to program the game system and design the characters and background

SKILLS & CERTIFICATION

Design & Prototyping: Photoshop, Illustrator, Procreate, Figma, Adobe XD, Adobe InDesign

Web & Code: HTML, CSS, Javascript, Python

Audio/Video: Adobe After Effects

Other Tools: Canva | **Language Skills:** English (Native), French (Conversational)

FREELANCE WORK

Luca Cuni's EP "In Bloom" – Makeup Artist and Set Assistant

March 2025

- Assisted photographer Nicholas Lindsay on set; contributed to the shoot concept and overall visual direction.
- Worked closely with the artist to design and apply a makeup look that aligned with the theme of the shoot.

WORK EXPERIENCE

Timberland

New York, New York

Retail Sales Associate

October 2024 - April 2025

- Assisted customers with shoe sizing and fitting, informing them about different products and services available at the store. Consistently exceeded personal sales targets.

New York Kids Club & Preschool

New York, New York

Assistant teacher and program leader

June 2022 - August 2024

- Assisted teaching in PKA classrooms, as well as lead enrichment program classes to help children cultivate learning skills in creatively enriching environments

SPECIAL INTERESTS

- Creating a diverse and wide range of creative illustrations and animations to build a world unique to my art style.
